

Tammuz assist the widows and orphans in Babil

Starting from The basis of our faith in the group of widows and orphans , Tammuz Organization for Social Development invited the families of widows and orphans to registered with us, and held celebration to make them happy and give them some presents and implanting the spirit of love. Tammuz organization has discussed with them the most important difficulties they face in their daily lives, and the role of widowed mother's basic child-rearing.

Tammuz organization representatives also discussed as well its active role in civil society and the importance of each step it makes and the work they do for the needy families , especially orphans, which is they were considered important segment of society.

This occasion was followed by distribution of gifts and cash assistance to all the widows and orphans, and a donation from Friends of the organization to reduce the burden on their shoulders and to ease the poverty and suffering in which they live, which is the most important goal.
